

Back-Up Care Advantage Program®

Care When You Need It Most

Claremont McKenna College partners with **Bright Horizons®** to offer eligible employees back-up care when you need to be at work and your regular child or adult/elder care is unavailable. You must register before using the service and reservations are required. Requests for care can be placed as early as one month in advance and up to the day care is needed.

Eligible employees receive up to 80 hours of back-up care per calendar year. Center-based care is \$2 an hour. In-home care is \$4 an hour.

- Your regular caregiver or stay-at-home spouse/partner is unavailable
- You are transitioning between regular care arrangements
- Your child's regular center or school is closed
- Your adult/elder relative is ill or needs temporary assistance
- Your child is mildly ill at home
