
SENIOR THESIS TOPIC EXCEPTION REQUEST

For use **ONLY** if you want to write a thesis in an area ***other than*** your major

If you wish to write a Senior Thesis *outside* of your major, attach a 3 to 5 page (double-spaced) proposal outlining the project you wish to complete. Explain your rationale for selecting a topic outside of your major, and include an explanation of how the proposed project serves as an appropriate capstone experience to your undergraduate education.

Student Name: _____

Student ID: _____ Date of Application: _____

Major(s): _____

Check one: single dual double

Sequence: _____

Proposed Topic: _____

I approve of this student's proposed request to complete a Senior Thesis outside of his/her major:

Major Dept. Chair's name (*please print*) Major Dept. Chair's signature Date

Reader's name (*please print*) Reader's signature Date

Reader's Dept. Chair name (*please print*) Reader's Dept. Chair signature Date

***Complete and return to the Office of the Registrar and Institutional Research
along with your proposal by the 10th day of the semester in which the thesis is begun.
You will not be registered for Senior Thesis without a completed and approved topic proposal.***
