

CITI Courses	Research Students	Faculty	IBC Members
<i>Minimum Required Training</i>			
Initial Biosafety Training	X	X	
Laboratory Chemical Safety	X	X	
Emergency and Incident Response to Biohazard Spills and Release		X	
NIH Recombinant DNA Guidelines	X	X	
<i>Lab-Specific Training Courses</i>			
Human Bloodborne Pathogens			
OSHA Bloodborne Pathogens	X	X	
<i>Shipping</i>			
USDA Permits		X	
Shipping and Transport of Regulated Biomedical Materials		X	
<i>Select Agents and DURC</i>			
Select Agents, Biosecurity, and Bioterrorism	X	X	
Dual Use Research of Concern (DURC)	X	X	
<i>IBC Members</i>			
NIH Recombinant DNA Guidelines			X

For questions regarding training, please contact the Environmental & Chemical Hygiene Officer at jgaleno@cmc.edu. Additional role-specific or protocol-specific training may be required depending on the research activities being reviewed by the IBC, which will be determined by the IBC Chair.
